

SHINING FORCE III

SCENARIO 2

TARGET: CHILD OF GOD

The Saga Continues

Medion, Prince of Destonia, and youngest of three sons of Emperor Domaric. Although loyal to his father and his country, he senses that there are other forces at work beneath the tensions between Aspinia and Destonia.

Medion works parallel to Synbios of Aspinia, often disposing of rogue Aspinian elements to spare Synbios's force from fighting against its own countrymen. In the end, Medion is forced to battle with Synbios' force when Julian steps in to stop them.
